Robin,

In response to your letter regarding the discrepancies within the originally filed 3Z-1 report; within the software that this campaign uses to report our FEC filing there existed a flaw as regards this report. The 3Z-1 report needs to pull information from numerous lines of the FEC Form 3 and our version of the software was not doing that. After extensive review of our data and reporting software, the manufacturer feels they have corrected the issue and an amended report is being filed.

Sincerely,

A handwritten signature in black ink that reads "Kathryn J. Damato".
Kathryn J. Damato
Assistant Treasurer
